PRESENT: THE HONORABLE WILLIAM G. COBB, U.S. MAGISTRATE JUDGE

DEPUTY CLERK: KATIE LYNN OGDEN REPORTER: NONE APPEARING

COUNSEL FOR PLAINTIFF(S): NONE APPEARING

COUNSEL FOR DEFENDANT(S): NONE APPEARING

MINUTE ORDER IN CHAMBERS:

Before the court is the parties' Stipulation to Extend Discovery Deadlines (Fourth Request) (ECF No. 114). The parties outline the procedural history of the case including the multiple extensions of the discovery deadline this court has approved in the past. The last extension was approved in ECF No. 112, wherein the court indicated that "There shall be no further extensions granted." (*Id.*, at 3). The parties' stipulation fails to note this admonition.

The court is not inclined to grant a discovery extension because of the parties' issues in completing discovery; their discovery should have been undertaken and completed within the time parameters the court authorized on December 19, 2016 (ECF No. 112). Nevertheless, the medical issues confronting Defendants' counsel (ECF No. 114 at 2) provides good cause for what the court will grant as a final extension. Counsel should recognize this case was commenced in the Eastern District of New York in 2012 (ECF No.1) and transferred to the District of Nevada in September of 2014 (ECF No. 24). The court has to manage its docket and further delays in completing discovery will be unacceptable.
